Sponsor

Platinum: \$10,000

Gold: \$5,000

Institutional Member

For-Profit Company
(up to 10 participants): \$1,000

Government Agency: \$500

Non-Profit Organization: \$500

You (i.e., the entity on whose behalf this Application is being submitted) may submit this Application in either of the following two ways, please check one option:

Request an invoice. If your organization requires an invoice before making payment, please complete and sign two copies of this Application, and send them by mail, fax or in PDF form by email, to the following address:

Consortium of Digital Forensic Specialists
1642 Horsepen Hills Road
Maidens, Virginia 23102
E-mail: membership@cdfs.org

Pay by mail. If you do not require an invoice, please complete and sign two copies of this Application, and send them by mail to the above address, together with the appropriate membership fee.

In either case, by signing below, you acknowledge and agree that, when signed and accepted by CDFS, (a) this Application represents a binding contract between the parties, (b) commits you to payment of annual Membership dues and fees as determined from time to time by the Board of Directors, and (c) commits you to comply with all the terms and conditions of CDFS's Bylaws and such rules and policies as the Board of Directors and/or committees of CDFS may from time to time adopt. By signing and submitting this Application, you also certify that you meet the conditions of Membership specified in the Bylaws for the category of membership you have specified above.

Participant Form

Please use the form below to identify additional participants from your organization who will participate in CDFS. For-Profit members may have up to 10 participants (each additional participant beyond 10 shall pay dues of \$50/year). Government agencies may have unlimited participants, provided each participant is actively working on topics related to digital forensics. For non-profit members, all current Board members may participate free of charge, as well as any full-time staff focused on digital forensics.
